

OVER CARNIVAL URGENTLY NEEDS YOU

This year the Over Carnival needs you *more than ever before.*

Due to the retirement of many of our hardworking Carnival Committee, we don't have enough people to make the 2019 Carnival happen. Unless we can find new people to help, and make a committee of 10 members it will simply not go ahead.

For the sake of finding a few willing committee members, it would be a shame if the village's best get-together didn't happen.

The Committee meets for just 90 minutes each month.
If you think you could help, even a tiny bit, please do! We really do NEED you!

Come to our next meeting in the Conservatory at Over Community Centre on January 31st at 7.30pm to find out more!
